SIT-STAND DESKS

MOTION

Electric height adjustable bench desks for more dynamic and healthy work style

MOTION

- smart solutions to meet everyday needs in the workplace.

Choose from two types of table legs

- **H type metal legs** gives the additional free space for moving and storing things

- **Panel legs** are an option for those who prefer more privacy. This type of legs visually covers the space under the desk and creates an aesthetic office look.

Height control

2

columns

Height adjustment with memory function

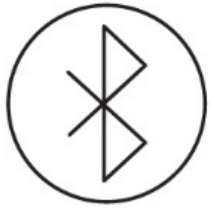

Desk control is very easy and user-friendly.

With desk buttons you can adjust the height of the desk according to your needs, as well as store 3 favourite height positions.

Other options

Adjust your desk height with remote control application via Bluetooth (Android, iOS)

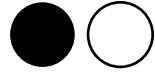

- Up and down drive
- Displays actual height
- Easy support
- 2 memory positions
- Possibility to enable automatic drive on memory positions
- Available in English, German, French, Spanish, Italian, Korean, Chinese and Japanese.

Fixed height acoustic screen

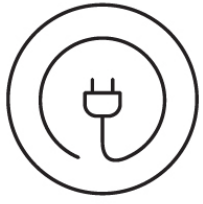

Improve acoustic comfort, avoid chaos and maintain the neat office look.

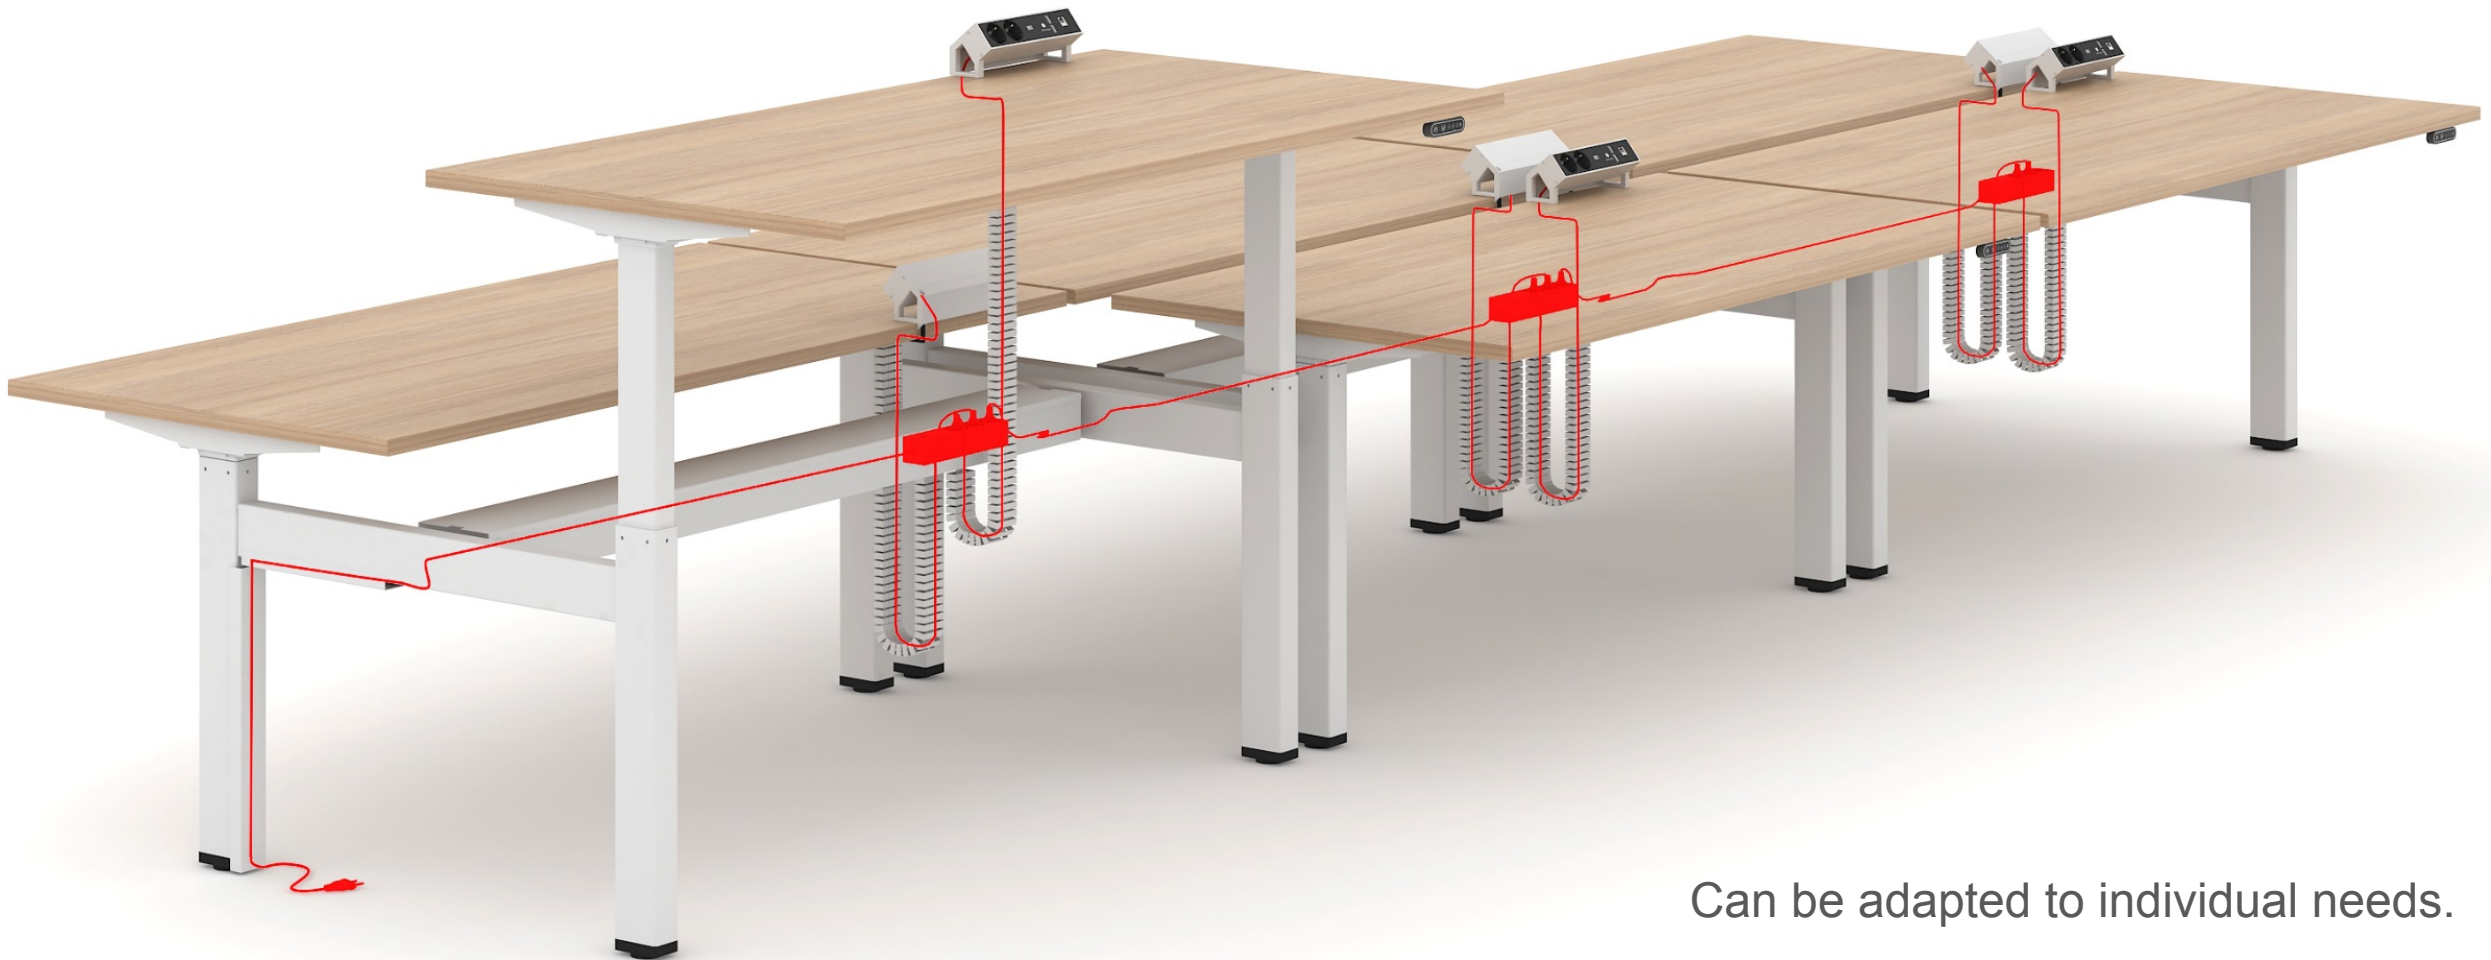

Possibility to choose

- Desktop and side panel cover 
- Side panel insert colour 
- Metal colour 

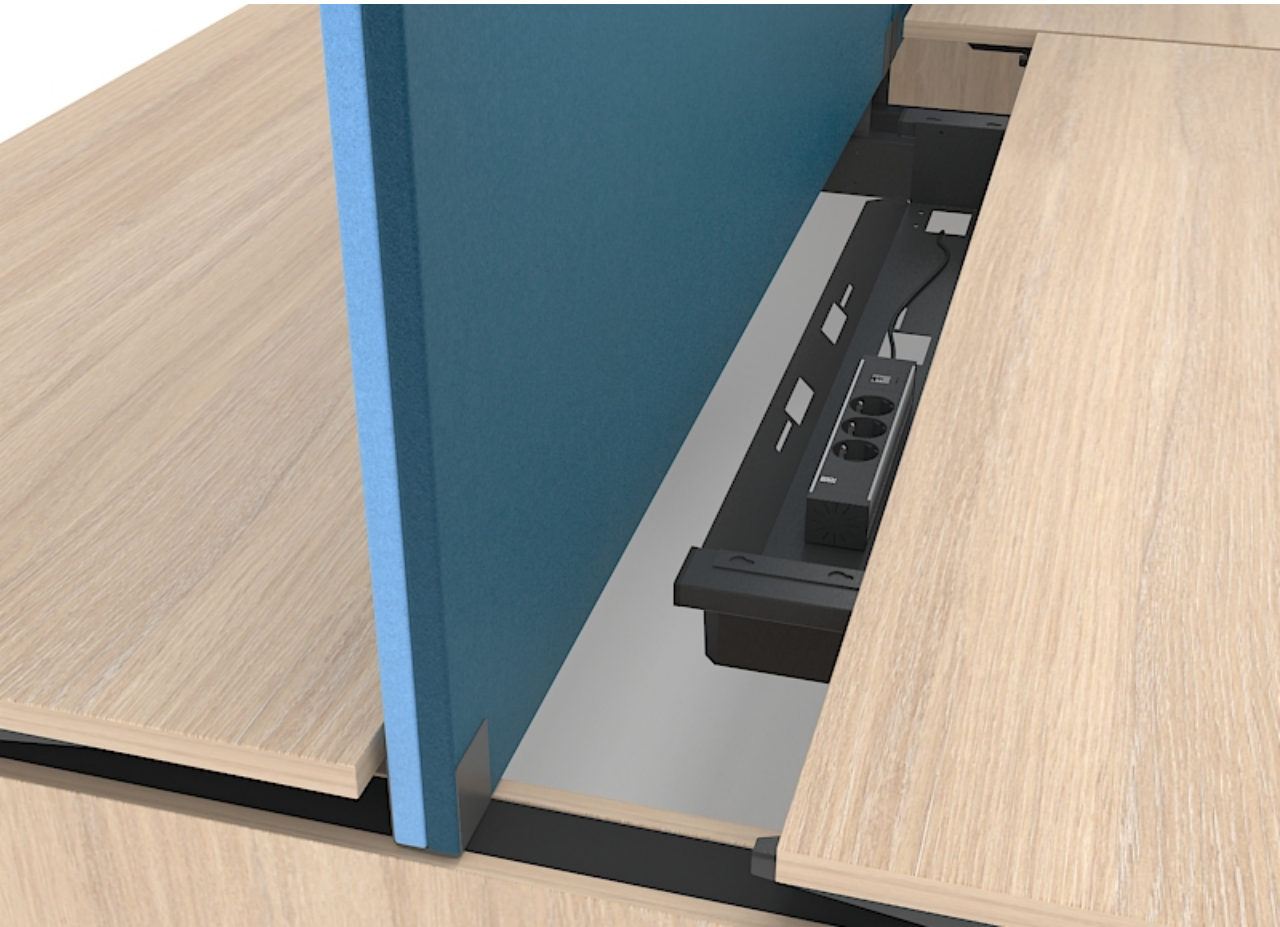

Smart cable management solutions

Can be adapted to individual needs.

4 types of desktop

- Fixed
- Sliding
- With cut-out (scallop) for wire management
- With cut-out for grommet

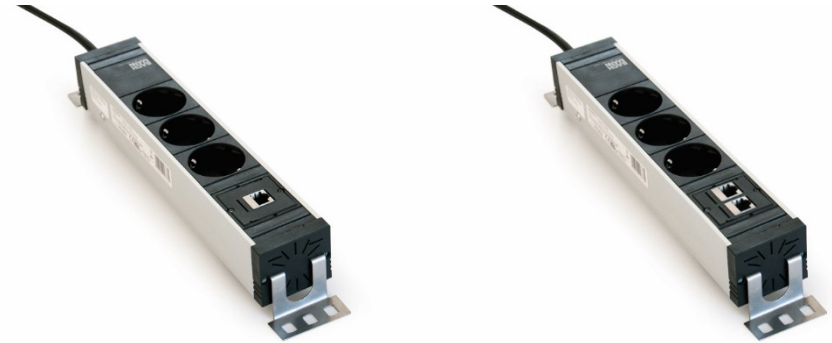

Sliding desktop for convenient wiring of all the IT cables you might need at your work space. When the table top is pulled, the cable storage opens up; when the table top is pushed, the storage closes. It takes only one simple push/pull movement.

Power socket types

Power socket block

- 1 / 2 LAN ports and 3 sockets
- colour 

External power socket block

- 2 sockets; 2 LAN; 2 USB charging sockets
- colour  

Meets EU, UK, FR standards.
